

Your Invitation To Good Health

During this time you will speak with the doctor about your health concerns and undergo a Chiropractic examination designed to tell you and the doctor if chiropractic can help you.

This appointment is primarily informational. However, you may choose to initiate a Chiropractic solution to your problem today* instead of enduring time consuming rescheduling and the delays of an additional appointment.

Whatever your decision, you are under no obligation to receive any care. Our desire at Sound Chiropractic Center is that you learn all you need to live a healthy and pain free life.

Sincerely,

Sound Chiropractic Center

*Starting care may mean taking spinal x-rays or further examinations

A Choice For Chiropractic Care

I have received my free consultation, examination and explanation describing how Chiropractic may help me. I understand that I am not under any obligation to undergo any further tests or take any treatment.
